**Sunday 7<sup>th</sup> July '19**

This mainly off-road event is located east of Overton in Hampshire.

There are very attractive routes around farmland and through woods. Turnouts will start at set intervals on either of two clearly marked routes – one of about 11 miles or a shorter alternative of about 7 miles.

**BDS Berks “Turned out Well” Mugs** : were introduced at our Windsor Great Park event last year.

Points are given at the turnout inspection at the start of the drive on the basis of harness fit and safety, cleanliness of harness, equine, carriage and the overall effort to turn out well. It is open to all not judged on the monetary value of equipment and irrespective of the type of turnout.

Top scorers will be awarded their Mug at the end of each event.

All drivers will receive a commemorative rosette.

Our aim is a relaxed, enjoyable and SAFE event.

To enjoy this drive we are asking for a minimum donation from you of **£30**.

The conditions of entry and an entry form are overleaf. On receiving your cheque, **directions** to Ashe Warren Farm and a **start time** will be sent to you, either by post (please enclose SAE) or, preferably, by e-mail (include your email address on the entry form)

**Thank you for your support**

**CLOSING DATE : Monday 24<sup>th</sup> June '19**
